Brief cover fidelity

PARTIAL: placement feasibility only. Word prototype acceptance is UNVERIFIED.

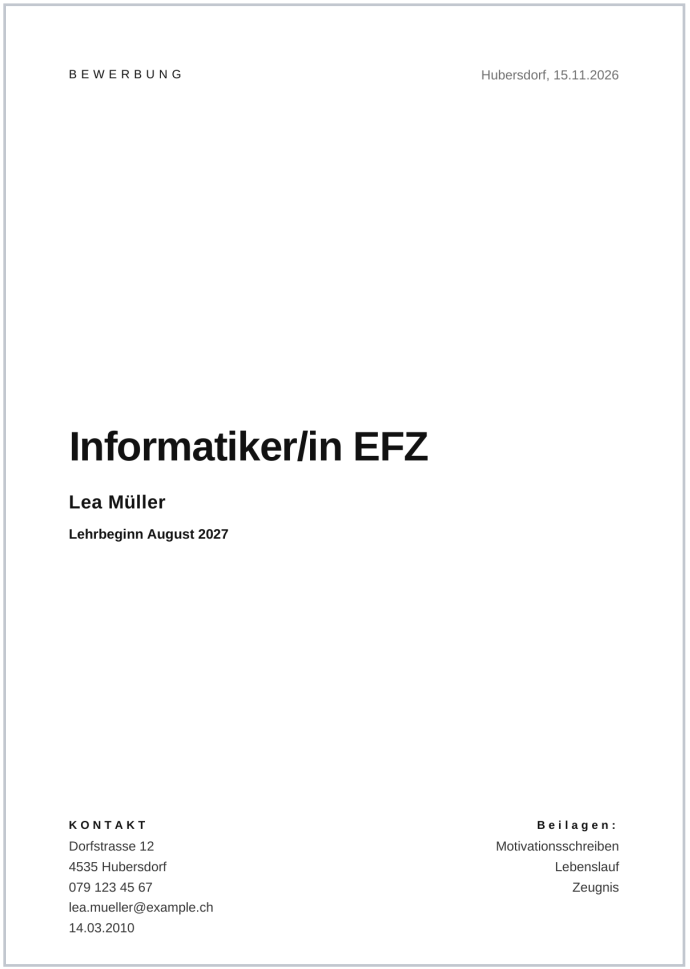

WEB / controlled same snapshot

WORD / supplied saved1.pdf

PROBE / LibreOfficeDev 26.8 alpha

The original DOCX is reproduced byte for byte. Web and probe use the unchanged recovered snapshot.
The original saved editor project is unavailable. Images share the same A4 scale; glyph and element bounds differ.
The probe restores major placement but still differs in typography, footer labels and the initials placeholder.
Next pages show each cover at full A4. The probe is diagnostic and must not be promoted as an accepted export.
